PROJECTS

➢ **Educational Website**
Technology Used**:** HTML, CSS, JavaScript

Project Description**:** Developed an educational website aimed at enhancing student learning and engagement. Key features include a Student Helpdesk, subject-wise content organization, interactive quizzes, and a uniquely styled contact section-all designed with Hogwarts-inspired visual elements to create an immersive and magical learning experience.

➢ **Diagon Alley Online Shop**
Technology Used**:** React, CSS, JavaScript

Project Description: Developed a e-commerce website using React, featuring a responsive and interactive user interface. The platform allows users to browse and filter products by categories such as Beauty, Fragrances, and Groceries. Integrated seamless category filtering and dynamic routing to enhance user experience, creating an engaging and magical shopping journey.

EXTRA-CURRICULAR & CO-CURRICULAR ACHIEVEMENTS
Cleared all phases of the Indian Air Force selection process (2021) – written test, physical, medical, and group discussion.
